#### POMPEIL.

Excavations at Pchipeli prove the city to have been one of the filest fashionable and beautiful of Roman summer resorts, and but for the eruption it might have remained so to this day. As with Pompeii, so with thousands of people who have beauty of form and feature. They might al-ways be admired-but for the eruption, that makes the face unsightly, and betrays the presence of scrofula, virulent blood poisons, or general debility. There is but one remedy that positively cures these affections, and that remedy is Dr. Pierce's Golden Medical Discovery. It is the best known tonic, alterative, and resolvent. It speedily cures pimples, blotches, liver spots, and all diseases arising from impoverished or impure blood. It also cures dyspepsia, and regulates the liver and bowels. Sold by druggists. SELECT LIST OF

LOCAL NEWSPAPERS.

Many persons suppose this list to be composed of CHEAP, low-priced newspapers. The fact is quite otherwise. The Catalogue states exactly what the papers are. When the name of a paper is printed in FULL FACE TYPE it is in every instance the BEST paper in the place. When printed in CAPITALS it is the ONLY paper in the place. When printed in roman letters it is neithplace. When printed in roman letters it is beinger the best nor the only paper, but is usually a very good one, notwithstanding. The list gives the population of every town and the circulation of every paper. IT IS NOT A CO-OPERATIVE LIST. IT IS NOT A CHEAP LIST. At the foot of the Catalogue for each State the important towns the Catalogue for each State the important towns which are not covered by the list are enumerated. IT IS AN HONEST LIST. The rates charged for advertising are barely one-fifth the publishers' schedule. The price for one inch four weeks in the entire list is \$635.
